

PROJEKT *CARS MAGAZINE*

ORGANIZED BY

Porsche Club
Kuwait

JUNE 2026

Automotive photography is more than a capture; it is a collaborative effort to document the heart of our community. I don't just photograph machines—I partner with owners to translate mechanical dedication into a visual legacy. My goal is to serve as the creative bridge that ensures the passion poured into every build is represented with professional-grade precision.

Khalid Al-Mohanadi
